

## Incoming International Wire Instructions

---

The fee for incoming international wires is \$10. The Student Checking account features two (2) free incoming wires per year.

Make sure your sending banking has these 3 pieces of information:

1. Wire to Receiving (Intermediary/ Respondent) Bank:  SWIFT code: BOFCUS33MPK MUFG Union Bank, N.A. Monterey Park, CA	2. Credit to Beneficiary Institution:  Account: <b>2761014360</b> USC Credit Union Los Angeles, CA	3. Final credit to recipient:  <b>Your USCCU account number</b> <b>Your full name</b>
--	--	--

**Important:** Be sure to provide **all** of the above information to your sending bank. If our account number **2761014360**, in addition to **your name** and **your USCCU account number**, are not included, your wire will not be successfully received.

## Outgoing Wire Instructions

---

To wire funds to another institution, you must:

1. Provide us with the receiving institution's wire instructions
2. Sign a wire authorization form at one of our branches

Domestic wires placed by 12:00pm PST are delivered by 3:30pm PST on the same business day. Wire requests received after 12:00pm PST will not be available until 3:30pm PST on the following business day. International wire requests received by 12:00pm are placed on the day that the request is received, however, the Credit Union has no control over the delivery date and makes no assurances regarding the date or time of delivery.

There is a \$20 fee for outgoing domestic wires and a \$40 fee for outgoing international wires.

## Need Help?

---

If you experience any issues with wire transfers, contact us by phone at 1-877-670-5860 or via email at [usccu@usccreditunion.org](mailto:usccu@usccreditunion.org).

We'll need the following information to assist you: name, account number, date of wire, amount, phone number, and summary of the issue.

*Haven't received your wire yet?* Please contact your sending bank with questions about how long it will take the wire to arrive. USCCU is not able to trace incoming wires. If the funds have not arrived in a timely manner, please ask your bank to place a tracer on the wire.
